Now that your pet is registered, UNITED® can better serve you by:

- Maintaining a record of ownership and a description of your animal with any applicable microchip information.
- Assisting pounds, shelters, medical research facilities, or pet recovery services that contact us. We will search recorded information to help identify you as the owner, making it possible for them to return your animal.
- Contributing and designating a portion of your registration fee to the American Animal Welfare Society to be used for relief of animals in need and animal related issues.
- Contributing to state and national organizations to advance education on animal related issues.
- Promoting responsible pet ownership by operating within published guidelines of United®.
